

Kehillah Funds

- **General Fund**
 - The General Fund supports Kehillah's operations in a variety of areas such as administration, salaries for staff, and communications. The General Fund is not glamorous, but it is the workhorse of every organization, including Kehillah. Support in this area is crucial to our sustainability.
- **Building & Beautification**
 - This fund supports all our building and facilities needs, such as rental costs, maintenance, the purchase of signage or artwork, flowers for the bimah and more.
- **Caring**
 - The Caring Committee reaches out to those who may have fallen ill or are in need of support. This fund helps provide food, services and other special assistance.
- **Education**
 - Our innovative programs educate the Jewish mind, heart and soul. Our Youth Education Program (YEP!), with a Bar/Bat Mitzvah track, features a unique family-friendly schedule that respects the time and needs of working families. Our Adult Education program offers Adult B'nai Mitzvah, *Chevrutah*-style partnership learning, and programming that is accessible to all. Your donations will help us expand our offerings and enable us to provide scholarships.
- **Gottlieb Music Fund**
 - Started by Daniel and Evelyn Simon in honor of Evelyn's parents, Irma and Erich (z"l) Gottlieb, founding members of Congregation Kehillah, the Music Fund helps us to provide enriching music experiences.
- **Memorial Board**
 - Our Memorial Board is displayed in our sanctuary at all of our services. This is an opportunity to honor our loved ones who have passed away by memorializing their name. For a donation of \$180, names can be engraved on plaques and added to our board.
- **Oneg & Hospitality**
 - "Oneg" literally translates as "delight," and our Shabbat onegs highlight our welcoming hospitality and express our joy for the Sabbath. You can make a general donation to this fund or sponsor a specific oneg – a wonderful way to share your own joy for a special occasion.
- **Social Action**
 - Tikkun Olam, or Healing the World, and *Rodef Tzedek* – Pursuing Social Justice, are 2 of Kehillah's Core Values. This fund helps us reach out into the community to help those in need, create healing, and move towards positive social change and social justice.
- **Torah Fund**
 - We are honored to be stewards of a Holocaust Torah which requires significant ongoing care. We also welcome donations for purchasing "Tashmeshei Kedushah" (accoutrements of sanctity) – yad, mantle, breastplate, crown, and binders for Shabbat and the High Holy Days.
- **Rabbi's Discretionary Fund**
 - This fund allows Rabbi Sharfman to provide support to those in need at her discretion, in a confidential and private manner.
